Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from List of Staple Medical and Surgical Supplies Selected to Meet War Conditions, Vol. 4 To the end that the needs of the medical services of the Army and Navy, Red Cross, and Civilian Hospitals, in the matter of instruments, apparatus, and all supplies, may be successfully met under the abnormal conditions existing in time of war, the Secretary of War, as chairman of the Council of National Defense, appointed a Committee on Standardization to select a minimum number of articles essential to the conduct of the Nations medical activities. The lists of apparatus and supplies appearing in these pages were selected by subcommittees, appointed by the Committee on Standardization, composed of medical officers of the Army, Navy, Public Health Service, and Red Cross, and civilian workers of the highest type, working in conjunction with manufacturers of such apparatus and supplies. In this selection of staple and essential articles the committee is assured of a maximum and economical production of such articles through the conservation of manufacturing resources and the simplification of manufacturing problems. It has...
