Laughter can save you from danger. It s true! I once made a street robber laugh so hard that he left me along and robbed my grandmother standing next to me. But granny wasn t one to hold a grudge. Instead of staying angry with me, she later asked me to teach her some one-liners. However, I discovered, years later after she died, that I was the only family member not in her will. Humor has been known to revive dying parties, bring people out of depression, and even restore health. Humor should be shared.
