Simon & Schuster. Paperback / softback. Book Condition: new. BRAND NEW, Just After Sunset: Stories, Stephen King, Stephen King -- who has written more than fifty books, dozens of number one "New York Times" bestsellers, and many unforgettable movies -- delivers an astonishing collection of short stories, his first since "Everything's Eventual" six years ago. As guest editor of the bestselling "Best American Short Stories 2007," King spent over a year reading hundreds of stories. For King, the line between the living and the dead is often blurry, and the seams that hold our reality intact might tear apart at any moment. In one of the longer stories here, "N.," which recently broke new ground when it was adapted as a graphic digital entertainment, a psychiatric patient's irrational thinking might create an apocalyptic threat in the Maine countryside. or keep the world from falling...
