Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****."If all you have is a hammer, everything looks like a nail." Bernard Baruch, American Businessman When I was younger, during the summers I worked as a framer for my Dads construction company. I used a big, heavy framing ax to pound 16-penny nails into 2 x 4s. I noticed that the finish carpenters on the site used a delicate, little hammer for their work of installing woodwork, window sills, and molding. The tool I used for my work was not the right tool for the job of a finish carpenter, nor did I have the skill to become a finish carpenter; I recognized that. You may wonder about the title of this book. With the foregoing story in mind, I chose the title for this book to position the Self-Directed IRA as another tool you may use to achieve your retirement goals. It is my opinion that Self-Directed IRAs are not for everyone; but for the right person, a Self-Directed IRA may be just the right tool for the job. Self-Directed IRAs are great tools if you have the knowledge and skills about that in which you are investing; or want to acquire the knowledge and skills about that in which you want to invest; or are able to hire someone with the knowledge and skills about that in which you want to invest. I wrote this book as an informational guide for those who may be interested in Self-Directed IRAs. It is my intention to give a broad overview of what owners of Self-Directed IRAs may expect and some of the investments they may purchase. I hope this book is helpful to you. Terry L. White President CEO...
