Lulu.com, United Kingdom, 2013. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Recovery from addiction is not easy. It is often made even more difficult when recovery programs measure an addict s progress only by their performance (did they act out or not). Many addicts bail out of such programs or remain locked in a system that keeps them on a treadmill of endless activity. Performance-based recovery programs never lead an addict to real freedom. This book highlights what grace-based recovery is, what it is not, how it helps addicts with such necessary steps like confession and forgiveness, why grace is the best environment for recovery, and 7 basic principles for lifelong health and freedom. It also includes helpful resources for finding, or creating, grace-based recovery environments. This book is a great resource for support group leaders, pastors, counselors, or loved ones who want to know what is really at the heart of helping addicts break free from addictive patterns.
