Xulon Press, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A young mother s story, from tragedy and regret to forgiveness and hope. I didn t kill my baby, became Corrine Baker s public and private battle cry starting in 2010. From a young age Corrine has been fighting. From being bullied, to being a bully, to fighting addictions and the fallout from several toxic relationships; hers is a riveting story of fighting hard to keep her 4-year-old son alive, only to then be blamed for his death. From prison she is still fighting. Determined to break free from the cycles of rejection, shame, addictions and bitterness, she is using her life to help others find hope and freedom. One law has already been passed because of her case. Are there more yet to come? Are you or someone you care about caught in cycles of dysfunction? Do you need hope? This book is more than just one woman s story it includes teaching, insight and prayers to set people free from their bondages and help them experience more freedom than they ever thought possible. If my story can help another mother and child get free from a life of victimization and abuse, then I believe there s a purpose I m still alive, and something good can come from all of this madness and heartache. Maybe I can help someone from making the same bad choices I did. Corrine Baker.
