THE HUMAN MOLECULE (PAPERBACK)

Lulu.com, United States, 2008. Paperback. Book Condition: New. 216 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The Human Molecule traces the historical development of the conception of the human being as an individual molecule . The question of what is a human has passed down through the ages as an unsolved riddle of curiosity? In partial solution to this query, the term human molecule , as the definition of a person, was coined in...
