EDWARD SCHILLEBEECKX AND INTERRELIGIOUS DIALOGUE: PERSPECTIVES FROM ASIAN THEOLOGY (PAPERBACK)

Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: If Schillebeeckx had been Asian, how would he have responded to the phenomenon of religious pluralism? This book attempts to answer that question, beginning with a dialogue with the Vatican Declaration Dominus Iesus and discerning how Schillebeeckx's methodology has been applied in Asian theology. Employing the hermeneutical-critical method, Schillebeeckx asserts that the Word of God did not come down to us, as it were, vertically in a purely divine statement --it must be interpreted! In today's context of so many religions, so many cultures, and so many poor, God's Word invites the church to be a sacrament of dialogue. Through dialogue the church will be challenged by other religions and challenge them in return. Christianity will then be put in its place, as well as given the place which is its due. Endorsements: A frank and articulate commentary on Dominus Iesus, this volume offers reflections on the respectful and authentic relationship between the Catholic Church and other religious traditions. . . . What is intriguing is not only that it deals with the greatest theological conundrum of our time, but also explores how Western and Asian theologies can be bridged, mindful of the aspirations of the wronged of this world. --Bahar Davary Associate Professor of Theology and Religious Studies, University of San Diego Author of *Women and the Qur'an* Combining the theology of Schillebeeckx and the experience of religious diversity of the Asian churches, Chia takes on the 600-pound gorilla that stalks all Catholic conversations about interreligious dialogue: the tensions between official Vatican pronouncements such as Dominus Iesus and the views of communities and theologians. Chia's final proposal for an...
