Practical Curve Tracing: With Chapters on Differentiation and Integration (Classic Reprint) (Paperback)

By R Howard Duncan

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Practical Curve Tracing: With Chapters on Differentiation and Integration During recent years the use of squared paper in the solution of various problems, for the representation of the results of experiments and for the deduction of formulas to express those results has developed very rapidly, and is now taught to a greater or less extent to the great majority of students. At the same time, it has become more and more recognized that while the student, and especially the student of Engineering, needs a good knowledge of various branches of Mathematics, and, above all, the ability to make use of his knowledge in the solution of practical problems, it is not necessary to burden him with a large amount of purely academic Mathematics, of the kind which has been aptly called Mental Gymnastics. Thus, while it is necessary that he should be able to recognize the nature of the curve represented by a given equation, or to find the equation corresponding to a given curve, and should be perfectly familiar with the chief characteristics of...
