Studies in German Literature in the Nineteenth Century (Classic Reprint) (Paperback)

By John Firman Coar

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Studies in German Literature in the Nineteenth Century The present volume of Studies is not a History of German Literature in the Nineteenth Century. It is an attempt to trace the elements of democratic thought in some characteristic forms of this literature. Metaphysical and aesthetic problems were no less influential than those discussed in the following pages; also the craving for beauty, without conscious reference to the problems of social life or speculative thought, had its influence on poetic activity. But the significant influence of political, civic, and social conditions has seemed more fundamental in a first volume of Studies in German Literature in the Nineteenth Century. The writer unhesitatingly confesses that the present volume has been written with a strong bias. To measure the development of the German nation by ideals of American democracy, though not by standards of American living, has been his intention. For he has cherished the hope that the struggle of a people for democratic freedom might be an inspiration to those who would have the code of our living...
