Old House. 1 Paperback(s), 2014. soft. Book Condition: New. America's "golden door" welcomed a huge wave of European immigrants between the 1880s and the 1920s, with millions passing through the processing center at Ellis Island on their way to becoming Americans. This fascinating little volume is a reproduction of one of the immigrants' most valued resourcesa guide to the United States covering everything from the pay-rates of various trades in different cities to statistics about what Americans ate, drank, and manufactured. From our perspective, the book provides a snapshot of our nation on the cusp of the "American Century" and also offers new insights into the immigrant experience. 168.
