University of Illinois Press. Paperback. Book Condition: new. BRAND NEW, Working for Justice: A Handbook of Prison Education and Activism, Stephen John Hartnett, Eleanor Novek, Jennifer K. Wood, This collection documents the efforts of the Prison Communication, Activism, Research, and Education collective (PCARE) to put democracy into practice by merging prison education and activism. Through life-changing programs in a dozen states (Arizona, Colorado, Illinois, Indiana, Massachusetts, Michigan, New Jersey, Ohio, Pennsylvania, Texas, Virginia, and Wisconsin), PCARE works with prisoners, in prisons, and in communities to reclaim justice from the prison-industrial complex. Based on years of pragmatic activism and engaged teaching, the materials in this volume present a sweeping inventory of how communities and individuals both within and outside of prisons are marshalling the arts, education, and activism to reduce crime and enhance citizenship. Documenting hands-on case studies that emphasize educational initiatives, successful prison-based programs, and activist-oriented analysis, Working for Justice provides readers with real-world answers based on years of pragmatic activism and engaged teaching.
