Readers will learn about: Rebekah's decision - that wasn't so different from Abraham's David's preparation - keeping his father's sheep was more important than he could have known Josiah's search - and how preparing his heart in his youth spared his nation from a terrible fate Paul's nephew's warning - an act of courage that saved the life of the Apostle Paul These young people and many more will lead Christian teens to think about how God can use them, and expand their understanding of what they can do for the Lord right now.
