Baker Academic, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Whether or not you believe in ghosts, the true-life experience of Arthur M. Mills, Jr. deserves consideration. Find out who Candle Face was, her taunting behavior, and how she made a boys childhood into a living nightmare in The Empty Lot Next Door. Ray (Arthur's childhood name) and his family have just moved into a small house beside a strange, vacant lot where another house once stood, and where a huge wide hole mysteriously awaits the brave or foolhardy. Ray and his friends consider the empty lot just an exciting playground until Ray hears tales of how the lots house burned down years ago, leaving a girl to die in the fire. According to the neighborhood kids, the little girl will come out at night to haunt anyone who dares to jump into the empty lots hole. Both frightened and intrigued, Ray decides to test the validity of the tale. When he jumps into the hole to challenge the ghost, nothing happens. But in the night, Ray sees a figure emerge from the hole who makes eye contact with him. Soon, Ray is haunted by Candle Face. She visits his dreams and leaves handprints and other terrifying signs for him even when he is awake.
