Penguin Putnam Inc, United States, 2012. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. From the inventive, irreverent ( Green Man Review ) author of Broken Blade comes a new Fallen Blade novel featuring Aral Kingslayer. Former temple assassin Aral Kingslayer has a price on his head and a mark on his soul. After his goddess was murdered, Aral found refuge in the shadow jack business, fixing problems for those on the fringes of Tien s underworld. It s a long step down from working for the Goddess of Justice, but it gives Aral and Triss the living shadow who is his secret partner a reason to get up in the morning. When two women hit a rough spot in the tavern Aral uses for an office, he and Triss decide to lend a helping hand--only to find themselves in the middle of a three-way battle to find an artifact that just might be the key to preventing a war. And with so many factions on their trail, Aral and Triss are attracting a lot more attention than anyone featured on ten thousand wanted posters can afford.
