Henry A. Waxman (chairman) presiding. Mr. Waxman. I want to welcome you to our subcommittee hearing today. Today s hearing is on breast cancer and the potential causes of this disease, the benefits of its early detection and the need for quality treatment. This is also a hearing about hope, the hope of making real progress in understanding breast cancer, and in turn, the hope of savings thousands of lives. This is not an arcane issue. Breast cancer will affect almost every American, personally or because of the illness of a loved one or a friend. It is the most frequent cancer in women. One out of every nine American women will develop the disease during her lifetime. And this...
