Encyclopedia of Natural Remedies Effective Treatments for Today's Illnesses Many of us are looking for alternative measures to treating the whole person, not just the disease or ailment. Natural healing treatments can pinpoint and correct the source of imbalance in the body that manifests as symptoms, ailments, disease or personal challenges. Western medicine is amazing for putting us back together following an accident or surgery to save our lives however mild ailments are at times best treated with natural healing alternative methods. Many times doctors reach for a prescription pad to mask pain and ailments, before thinking about what natural alternatives can assist the body to heal itself. The human body is an amazing tool, that is programmed to self heal. Unfortunately due to our lifestyles and "quick fix" mindsets we have forgotten how nature can assist us to heal ourselves. There are still cultures today that use natural methods for cleaning, healing and living. These cultures have limited diseases that we find in our Western life. They use plant based products and...
