RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 60 pages. LC Number: KF31 . E58 2009e OCLC Number: (OCoLC)430189635 Subject: Federal aid to water resources development -- United States. Excerpt: . . 15 This section would authorize appropriations of 50 million for each fiscal year 2010 through 2014. Discussion The Committee acknowledges there is a growing need for funding for the common goals of restoring watershed functions; upgrading treatment works; assisting treatment works in complying with new and existing federal pollution control requirements; identifying al-ternative water supplies; and addressing high priority projects, such as storm water, combined sewer overflows and nutrient load-ings. This section provides grant funding for watershed restoration and critical water infrastructure projects across the country. In prioritizing projects under this new section, the Administrator must consult with State and local governments, as well as public and private entities active in local watershed planning and restora-tion efforts, to identify high priority projects. The Administrator must also ensure an equitable distribution of funding between all eligible categories so that one category does not dominate the prioritization of projects and available funds provided to the pro-gram.
